VIENNA GAMES SUPPLEMENT No.2 Aka "IT"
 27th October 1984

FROM :

Richard Martin Egan of 64 Rookery Rd,
 Knowle, Bristol, BS4 2DT England.

Of course, I had a list of all the things I wanted to say, and now I've lost it. Same old story, same old song. Let's improvise: firstly, thanks for reducing the number of NMR's this time. Thanks too for the 'Happy Birthdays' and comments on V-3, especially on the cover, which I hadn't expected to be so popular as a pin-up ('Miss Diplomacy 1901', no doubt!). And while I think of it, a note to Brian Hendry: that case of rather interesting 1903 vintage wine you mentioned still hasn't arrived!

On the subject of VIENNA, we need tactics articles and reviews aplenty. Some liked the variants in V-2 and V-3, but others were less happy, so I want to try to keep a balance within it. Generally the variants were well received in fact, and I hope to feature a variant in each issue, but I do take the point that not everybody is infatuated with maps and rules. Please, then, can we have an article or two on ITALY for V-4? Or some more game reviews? Or articles on other games? Variants to be featured will probably include 1066 (Allan Panizzi to GM, waiting list open), ARCHIPELEGO (a new variant from Joe Chambers and Jon Miller, who will GM it), perhaps one from Tim Collieu set in the ancient Middle East, and my own 1901 (World Domination) variant - which is BIG, with new rules for long-distance convoys, submarines and perhaps a few other surprises like dirigibles. But enough of this - let's play GAMES:

GALICIA/Autumn 1902 New GM : Richard.Me.Address on front:of this Supplement.

Simon has been a bit bogged down with work and life in general of late, and since this game was in danger of slipping into obscurity, I offered to step in and take over. I have contacted most of you, but just in case let me stress that deadlines will now be every 21-days , on a Saturday. S.s.a.e.'s with orders, please, or else you can subscribe to VIENNA for 25p+postage. Drop me a line if there is anything you're unsure about, and I'll do my best to help out.

AUSTRIA-HUNGARY (Damien Maddalena) : A.(Tyr) - Pie ; F.(Ven) Holds ; A.(Ium) - Bul ; A.(Ser) S.F.(Alb) - Gre ; F.(Alb) - Gre.

ENGLAND (Anthony Bourke) : F.(Swe) Holds ; F.(NAO) - MAO ; F.(Wal) - IRI ; A.(Bur) - Pic ; F.(ENC) S.A.(Bur) - Pic.

~~FRANCE~~ GERMANY (Ralph Horsley) : A.(Ruh) - Bel ; A.(Hol) S.A.(Run) - Bel ; A.(Mun) stands u/o ; A.(Pru) - War ; F.(BAL) - Swe.

ITALY (Anarchy) : F.(ION) & A.(Rom) stand u/o.

RUSSIA (Anarchy) : A.(Mos) stands u/o.

TURKEY (Ian Clarke) : A.(Bul) - Gre ; F.(AEG) S.A.(Bul) - Gre ; A.(Sev) Holds ; A.(Con) - BLA ; A.(Ank) - Con.

~~FRANCE~~ FRENCH A.(Pic) is Dislodged ~~XXXXXXXXXXXX~~ and retreats to Brest.

Sorry about that mess up there, but Mark just rang me, even as I was working out the Winter adjustments, to give me some orders. Under the rather confused circumstances of the re-start, it's hardly suprising. Anyway, here are the French orders :

FRANCE (Mark Weston) : A.(Par) S.A.(Gas)-Bur ; A.(Gas) - Bur ; A.(Pic) S.A.(Gas) - Bur* ; F.(GOL) - Mat ; F.(MAO) - IRI.

Well, now we have successfully made a mess of this stencil, let's try the Winter 1902 adjustments :

Winter 1902 Adjustments :

- A : Vie, Bud, Tri, Rum, Ven, Ser = 6 (+1) Build A.(Vie).
- E : Lon, Edi, Kpl. Nwy, Swe = 5 (0) No Change.
- F : Par, Bre, Mar, Spa, Por = 5 (0) No Change.
- G : Den, Hol, Mun, Kie, Ber, Bel, War = 7 (+2) Build F.(Kie) and A.(Ber).
- I : Rom, Nap = 2 (0) No Change.
- R : Mos, StP = 2 (-1) Disbandments already made.
- T : Con, Ank, Smy, Gre, Sev, Bul = 6 (+1) Build F.(Smy).

This chart is based on what I can gather from the moves in V-1, since Simon did not tell me who owned what centres, and I don't know what happened in Spring '02 to cause Russia to be reduced to one unit. If there is something wrong in it please contact me WITHIN the week. My position on GM-ing errors is that if I am not notified in time to give other players sufficient chance to adjust their calculations then the error stands. With one exception : obvious or niggling errors which anybody can see for themselves need not be pointed out until the next orders are submitted, at which time you can all have fun wrapping me on the knuckles for my stupidity...

Ralph asked me to give a list of addresses, so here's what I know :

- Damen Maddalena, 230 Tates Ave, Belfast, BT12 6ND.
- Anthony Bourke, 43 Erin Vale Drive, Finaghy, Belfast, BT17 0QD.
- Ralph Horsley, 11 Stone Cross Rd, Kendle, Cumbria, LA9 5HR.
- Mark Weston, 32 Deans Close, High Wycombe.
- Ian Clarke, 56 Westmead, Princes Risborough, Aylesbury, Bucks, HP17 9HS. I THINK, nay, am SURE, that Ian has a new address, but I can't seem to find it. If I do, I'll put it in somewhere - after all, he's in JUNTA, so I'm bound to have it somewhere!

3/Cluedo. Gamestart. GM : Rich.

Characters : Ivan Alibi, Barratt Holmes, Hugh Dunit, Jonjo O'Neill, The Stranger and Miss Jarre de Jamme.

Rooms : Study, Hall, Lounge, Dining Room, Ball Room, Conservatory, Billiard Room, Library and Kitchen. Also, the Stairs may be used to gain direct access to another room, and movement from any room to the Stairs denies a player the right to make a suggestion that move, though the Stairs are NOT among the Murder Cards or cards distributed. Tunnels link study and Kitchen and also the Conservatory and Lounge (but NOT Study and Lounge, etc). ONE Move per turn, chaps, to any adjoining room or the stairs.

Weapons : Dagger, Candlestick, Revolver, Rope, Lead Piping and Spanner.

Next turn, you can start making suggestions, plus I'll be hoping for the first paragraph from each player towards the strange tale of 'Murder At Tudor Close'. This should include an introduction and description of your character, and why he/she happens to be staying at the Manor. A physical description, including age, etc, a job, reasons why your character might like to see Sir Harry dead - all could be included in this, the first installment...

RIVENDELL / GAMESTART DOWNFALL III

A lot of the names on the list were re-matches from past Dip games, and it became impossible to prevent these occurring too frequently unless I split them up. Since Ian Hallows and John Cudmore both seemed to want Mordor more than life itself, I tossed a coin... and John won! So, Ian, I'll hold your name over for Mordor since I expect to be starting a second game in V-4. Hope you don't mind TOO much...

 - Umar - Jon Miller, 15 Brookside, Hoddesdon, Herts, EN11 3QW.
- GM - ME!

ERRATTA - To the Map in V-3. Andrien should be Anorien. The eastern border of Lossarnach should be moved east INSIDE the Anorien border - i.e. the Nazgul CANNOT cross from Lossarnach to Eastfold, but CAN cross Anorien - Lamedon. The Ash Mountains ARE linked to South Rhun, as are the Nurn and Khand, and Wizards Vale and Fangorn provinces. If in doubt drop me a line and I'll send you a revised copy.

childish sence of humour, as well as the most warped. All Venezuelans are
vegetarians, and no reporters passed our way in the Amazonas. THREE- Your
reporters were obviously using a Brazilian made compasses, and headed south
ending up in sao Paulo. It is speculated that you used the most popular
model of Brazilian compass...i.e. 'Tates' compass ('he who has a ~~has~~ Has
a Tates is lost'). FOUR- Brazil is the only country in the southern hemis-
phere where it is compulsory for soldiers to wear make-up. This further
backs up the idea that your reporters ended up in sau Paulo. FIVE- SPR 12
saw three sets of orders. I didn't send press, and I believe Chile when
he said he sent none. (Well it wasn't me! Ump). So all SPR 12 press eminated
from Brazil. So in short... Go play with yourself coffee-mate".

Other than the Ringline in these first two DOWNFALL III games may be assured to run north from Tolfalas to the west of North and South Ithilien, along the border between Nindalf and East Emnet and the Wold, along the south and east borders of the Brown Lands, west of River Running, south of Vale, ~~xxxx~~ west of Carmen then south of the Iron Hills and off the map...

This game, like the second DOWNFALL III game, will be run only in VIENNA and this supplement, so if you want to play in the second game, be warned that you will have to sub VIENNA to receive the results (sorry!).

And the rest of you have said you intend to get to me. No late orders, please, gents - we have a tight schedule to keep to! Enjoy the bitching...
